

Endless Stories Community Guidelines

Effective Date: 10/08/2024

Endless Stories is a platform designed to help you expand your ideas into full stories. When you create a story, it becomes visible to everyone within the community. To ensure a positive and inspiring environment for all, we ask that you follow these simple guidelines:

Prohibited Content:

We do not allow the following types of content:

- **Sexual Content:** Stories containing explicit or inappropriate material will not be tolerated.
- **Harassment:** Any form of bullying, targeting, or threatening behavior is unacceptable.
- **Hate Speech:** Content that promotes racism, sexism, or any other form of discrimination is strictly prohibited.

If any of the above content is detected, the story will be flagged and removed from public view. Repeated violations may result in further actions against the account.

We appreciate your cooperation in following these guidelines to help us build a supportive and creative community where everyone can thrive.
